INSTRUCTIONS

HYDERABAD VAC

NEW DELHI

You have scheduled a U.S. nonimmigrant visa appointment. Most applicants will have an appointment at the Visa Application Center (VAC) followed by an appointment at the Embassy or a Consulate. Please review the below information to ensure you are fully prepared for both appointments.

Getting to the Appointments

Who should come to the appointments?

Only visa applicants may attend the appointment. Applicants who are under age 14 or the age of 80 and over should not attend the appointment unless otherwise indicated. Other individuals without an appointment may not enter the building. Exceptions:

- Applicants under age 18 may be accompanied by a parent or guardian.
- Applicants with disabilities may be accompanied by a caretaker or helper.
- The default language for all interview appointments is English. If you do not speak English, you can request to change your interview language from English to another language when you arrive at the Embassy/Consulate; however, we cannot guarantee that translation services will be available for all languages. If you anticipate that the embassy/consulate does not support the language you speak, you may bring a translator. Embassy/Consulate staff will determine if the translator is allowed to attend the appointment with you when you arrive. Note that some visa classes may require English proficiency.

When should I arrive?

Arrive at your scheduled time, not before or after. You will not be permitted to enter the facility before the time listed on your appointment letter.

Where can I park?

The Embassy, Consulates and VACs do not offer vehicle parking.

What items can I bring?

Bring only the documents required for your interview. Mobile phones, large purses/bags, and other personal items are not permitted. We cannot store your belongings during your interview. A complete list of prohibited items can be found at <https://www.ustraveldocs.com/in/en/step-5>

Your VAC and Embassy or Consulate Appointments

How can I change my appointment?

Visit <https://www.ustraveldocs.com/> to reschedule your appointment.

You are only permitted to reschedule your appointment once. **If you miss your appointment or need to reschedule a second time, you will need to repay your visa fee to book a new appointment.**

How can I change my online visa application?

Your online visa application (DS-160) must be complete and accurate. The DS-160 visa application is valid for one year from the date of form submission. If your DS-160 form is set to expire before your appointment day, you should complete a new DS-160 form and carry both the old and new DS-160 confirmation pages with you, on your appointment day. To make corrections to your DS-160 please visit <https://ceac.state.gov/genniv/> prior to attending your VAC appointment. Bring both the original and corrected DS-160 confirmation pages to the VAC on the day of your

appointment. If you cannot bring both pages, you must cancel and schedule a new appointment using the corrected DS-160 application number at <https://www.ustraveldocs.com/in/en/>, as well as pay a new fee.
